
**Incoming 4th Graders
Summer Reading Assignments
2010-2011 School Year**

Welcome to 4th Grade!! As part of your preparation for fourth grade, you are asked to select and read two FICTION books and one NON-FICTION book from the list below. Within the first few weeks of school, you will be asked to complete 2 reading assignments and one religion assignment based on the Scripture readings from below.

Also, please review your multiplication facts through the twelves. All fourth graders must know their facts automatically in order to successfully move through the fourth grade math curriculum. Please continue to practice your cursive writing over the summer, too. We are going to have a great year and keeping up on your skills over the summer will help to ensure your success.

Remember, you will be able to take AR tests on your summer reading books so read carefully for comprehension. Each 4th grader will take the STAR test upon returning to school so new reading levels (ZPD's) can be assigned and then we'll set goals for each quarter. Keep reading!!!
